KEY WEBSITE FEATURES

Smart Quotation Engine (<1 Hour)

Multi-step quote wizard collects event type, date, guest count, and location — then generates accurate, data-powered quotes without any human delay. Fastest in Sarawak.

✓ Automated & Instant

4-Language Multilingual Platform

Full website experience in English, Bahasa Malaysia, 中文 (Chinese), and عربي (Arabic) — serving every client in Sarawak and beyond in their preferred language.

✓ EN · BM · 中文 · عربي

Integrated WhatsApp Support

Chat with the team instantly via WhatsApp — get real-time updates, ask questions, confirm bookings, and receive your quote notification directly in your phone.

✓ Direct WhatsApp Link

Gallery, Packages & FAQ Pages

Full-featured site with About Us, Services, Gallery, Packages, FAQ, and Contact pages — everything a catering client needs to make a confident booking decision.

✓ Complete Multi-Page Site

Chat Directly via WhatsApp

WHY CLIENTS CHOOSE US

- ✓ Quality Ingredients — Fresh & Premium
- ✓ Professional Team — Experienced & Dedicated
- ✓ On-time Delivery — Reliable & Hassle-free
- ✓ Custom Menus — Tailored for Every Occasion

"The website they built us is stunning — and it actually works. Within the first week, customers were generating their own quotes without even calling us. The multilingual support means our Chinese and Arabic-speaking clients feel right at home. The WhatsApp button alone has brought us 30% more enquiries. It's our best business investment."
