KEY WEBSITE FEATURES

Multilingual Including Jaku Iban

Full platform in English, Bahasa Malaysia, and Jaku Iban — the only government campaign platform in Sarawak to celebrate indigenous languages digitally. Cultural pride built in.

✓ Jaku Iban — First of Its Kind

6-Category Registration System

Flexible multi-category entry — Tourism & Heritage, Lifestyle & Culture, Education & Innovation, Community & Inspiration, Environment & Sustainability, and Open Category. Inclusive for all Sarawakians.

✓ 1,248 Entries Received

Automated Entry Management Dashboard

Full admin dashboard with real-time entry tracking — total entries, pending review, approved, and rejected counts. Inline approval workflow with participant details and submission history.

✓ 1,062 Approved Automatically

Mobile-First Creative Design

Built mobile-first for today's content creators. TikTok-native aesthetics, bold visuals, and thumb-friendly layouts make it easy to register, share, and participate on any device.

✓ TikTok-Native UX

State-Wide Sarawak Campaign Platform

Uniting creators across all 82 Sarawak constituencies under one powerful movement — empowering individuals and communities to highlight the beauty, diversity, and progress of Sarawak.

✓ All Sarawakians Welcome

"UKAS TikTok Challenge 2.0 exceeded every expectation. The Jaku Iban language option was a game-changer — our Iban community felt truly represented in a government digital campaign for the first time. The automated entry management dashboard let our team handle 1,248 submissions effortlessly. Within weeks, the platform united creators from across all of Sarawak under one movement."
